

Background Checks

All persons or person planning on coaching a soccer team, YOU will need a background check. This can be done at the sheriff's office here in Trenton at any time of the day or night, and will be a **FREE** service to you, it will take about 10 minutes to fill out the paperwork. Once the check is ran about two days you will need to go back to the sheriff's office and pick up your report and submit the report to the soccer administrator so the report can be kept on file for 2 years or 4 soccer seasons. Regardless of coaching all 4 seasons or not, once said seasons are over the report will be shredded and destroyed. The process is very straight forward:

1. Go to the sheriff's office, you are going to the big glass window down the hall from the court room.
2. Tell person at window, who you are and the reason for the visit.
3. Be prepared to show Identification of who you are.
4. Person at window will giving you some paper work to fill out.
5. Person at window will verify completed paper work with identification.
6. Person at window will tell you how long the check will take and day to come by and pick up the completed report.
7. Turn in the report to the soccer administrator
